

**ASSOCIATION OF  
SEA PINES PLANTATION  
PROPERTY OWNERS**

## **Jonathan Suhre**

### **Candidate by Nomination**

My family has deep roots in Hilton Head, creating memories here since 1972. Having visited Hilton Head nearly every year of my life, I officially made the move to Sea Pines in 2019. Professionally, I am the Asset Manager for the University of California, Los Angeles. I oversee multidisciplinary finance, leasing, and accounting teams managing over a half billion dollars in assets. Prior to my work with UCLA, I worked for a regional commercial real estate developer, a national property management firm, and a family-owned full-service real estate company.

#### **Why I Wish to Serve the Sea Pines Community:**

I was fortunate to have been elected to the Club Course POA Board of Directors and I also serve on the joint CSA/ASPPPO Land Use Management Committee. Through inter-association cooperation we have accomplished much, though many challenges to our community remain.

#### **Sea Pines Experience:**

- CSA/ASPPPO Land Use Management Committee
- ASPPPO Neighbors Helping Neighbors Task Force
- Club Course Property Owner's Association, Treasurer
- Club Course Property Owner's Association, Board of Directors

I am looking forward to continuing civic engagement alongside the diversely talented and hard-working folks that make Sea Pines the Hilton Head community by which others are measured.
