Edward Hughes

Candidate by Nomination

My wife, Trisha, and I moved to Hilton Head Island after my graduation from law school in 1974. We first rented a unit in Briarwood Villas on Calibogue Cay Road. We lived there until 1978 when we constructed a home on Otter Road. After Otter Road, we owned homes on Live Oak Road and Calibogue Cay Road. Three years ago, we downsized by selling our Calibogue Cay home and purchased our current residence at Briarwood Villas.

My law practice has focused in community real estate development. Locally, I have been involved in the development of Wexford, Indigo Run, Hilton Head Plantation and most recently in the acquisition and development of Palmetto Bluff. In this practice, I have established the entities and organizational documents for many community owners' associations.

Why I Wish to Serve the Sea Pines Community

We have been residents of Sea Pines for 46 years and plan on maintaining our primary residence in Sea Pines. By taking Senior Counsel status with my law firm, I have more time to devote to outside activities. I would be honored to be a Board member of the Sea Pines Property Owners Association.
